

# AWARD DESCRIPTIONS AND QUESTIONS

## Tech Innovator of the Year

This award recognises the undeniable impact of a female professional who is at the forefront of the wealth and financial services industry's ongoing digital transformation. This individual presents an unshakeable innovative spirit and is dedicated to making technological advancements to serve not only the needs of the market but also other industry stakeholders, customers and clients. The recipient of this award will have a track record of professionalism and shown leadership-like qualities as they look to apply their skills in tech to furthering progress on women's experiences, outcomes and issues in the industry and broader community.

### Questions - up to 300 words each

*Please answer these questions on behalf of the nominee (yourself or another individual).*

1. What accomplishments is the nominee most proud of in their role in the last 12 months that have helped to elevate the success of their career or their business, and what personal values do they credit for their achievements?
2. In the last 12 months, what specific contributions has the nominee made to the innovative technologies driving the industry's future, ie. artificial intelligence, digital advice, robo-advice, machine learning, natural language processing, modelling etc.?
3. Describe the nominee's efforts in advocating for issues plaguing the industry or broader community in the last 12 months, ie. female representation and experiences, social and environmental issues etc. How have they contributed to delivering improved and stronger outcomes?
